

Y-BAND Indoor/Outdoor System

Stable, reliable, easy to assemble and dismantle, the Y-BAND is a freestanding portable banner stand that will get your message everywhere indoor or outdoor.

Graphic dimensions:
Maximum: 5" W x 80" H
Minimum: 18" W x 63" H

4 grommets at 1" of each corner.
Grommets have to be 0.5" inside diameter (smaller will not fit).

Includes: 1 thermoplastic gray base, 1 aluminum retractable pole, 1 set of upper and lower plain carbon rods and 1 canvas bag. 13lbs. (empty base).

Display your image outdoor

Designed to hold against strong wind, the Y-BAND will be your partner for your outdoor events such as:

- Concerts and Special events
 - Sport tournaments
 - Restaurants and stores
 - Car dealers
 - POP advertising
 - Airports and railway stations
 - Shopping centers
- Anywhere... Anytime...

Easy to Install

- Insert the bottom rods (small) into the rear part of the base.
- Fill the base with 4 1/2 gallons of water.
- close the cap.
- Insert the main pole.
- Install the upper rods onto the pole.
- Attach the rods to the grommets located at each corner.

Display Hardware Only \$250.00
